

Tax Credit for Non-Business Energy Property (Manufacturers Certificate of Compliance-Armaclad Windows and Doors, LLC)

Armaclad Windows and Doors, LLC, located at 4422 W. 46th. St., Chicago, IL 60632, is a manufacturer of exterior window and patio door products. Armaclad, as required by the American Recovery and Reinvestment Act of 2009, hereby certifies that when our window and patio door products are purchased with specific high performance glass and inert gas fill options, they meet or exceed the required tax credit criteria. Specific windows and doors shall qualify for the energy efficient, home improvement incentives that allow for a tax credit of 30% of the cost of the qualifying product up to a maximum of \$1,500 per household for 2009 and 2010. Per the IRS "Safe Harbor" news release issued on April 22, 2009, qualifying product criteria shall be those that meet the criteria established by the 2001 Supplement of the 2000 International Energy Conservation Code or the 2004 Supplement of the 2000 IECC for the climate zone in which the product is installed.

Armaclad Windows and Doors, LLC certifies that the following Encore Window products, when supplied with the glazing options indicated below, are in full compliance with the Energy Star tax credit requirements for windows purchased from January 1, 2009 through May 31st, 2009.

Encore™ Double Hung
Encore™ Horizontal Slider
Encore™ Picture Window
